

Health and Safety Policy Statement

Health and Safety at Work Act etc 1974

This is the Health and Safety Policy Statement of

Aspects Solutions (Window Cleaning) Limited

ASL provides cleaning services to corporate, private and public bodies in the South West of England and Wales. We are committed to providing the highest standards of service, underpinned by ensuring that health and safety of our employees, contractors and all others we have the potential to affect is at the forefront of any business decision.

To ensure that we manage and continuously improve our health and safety performance we will:

- » Provide adequate control over health and safety risks arising from our work activities;
- » Consult with our employees on matters affecting their health and safety;
- » Provide and maintain safe plant and equipment;
- » Ensure safe handling and use of substances;
- » Provide information, instruction and supervision for employees;
- » Ensure all employees are competent to do their tasks, and give them adequate training;
- » Prevent accidents and instances of work related illness;
- » Maintain safe and healthy work conditions; and
- » Review and revise this policy as necessary at regular intervals.
